Relevant Experience

Shotwell Company

Front End Developer, February 2009 - Present

Developed new web sites for various industries including music, publication, and non-profit. Created hand-coded dynamic web pages from photoshop mockups. Managed projects as well as other developers to meet clients needs. Specialized in XHTML, CSS, JavaScript, and DOM manipulation primarily with JQuery and Prototype.

Built www.shotwellcompany.com.

LizLux Designs

Freelance Web Developer, November 2007 - Present

Worked with a large variety of different kinds of businesses to build and maintain web sites, provide consulting on industry standards, enhance search engine optimization, configure email clients, and be an over-all go-to person for web and tech-related business needs.

Site and portfolio: www.lizlux.net

Some (of the many) web sites to which I've made major contributions:

GalleryAC.com, LiveJournal.com, TheMML.com, LadyLux.com, EndPoverty2015.org, PhotoQuestAdventures.com (Launching April, 2010), Biog.org

Education

Academy X Computer Training School, San Francisco 2007-2008

Professional training in HTML, web design, Flash, Photoshop, Dreamweaver, Advanced CSS, JavaScript for programmers, Apache, IIS, MySQL and PHP.

University of California, Santa Cruz, 2001-2005

B.A. in Asian history with an emphasis on Japan and Japanese Language, including study abroad. Worked as a Teacher's Assistant for a social sciences writing course, volunteered in elementary school classes, and spent my summers working at outdoor adventure summer camps in Yosemite and the Santa Cruz Mountains.
